## **OMAHA LOSES TO DES MOINES BY** SCORE OF 40-0

Visiting Team Proves Too Fast for Local Boys: Des Moines Scores Early in Game.

Outclassed in every way Central High's grid team received a 40-0 trouncing at the hands of the North Des Moines High eleven yesterday afternoon at Rourke park. Central showed plenty of fight, but swift and sure tackling, frequent use of the aerial route and too much beef was too much for the locals, who were constantly on the defensive with never a chance to score.

Centrals fate was evident early in the first quarter when Des Moines, with smashing line plays and good gains around end, carried the ball down the field and over the last line after but ave minutes of play. Central's line broke before the fierce onslaughts of the heavy Iowa eleven and before the final whistle blew Shafer, Logan and Pollard were on the sidelines. Shafer suffered an inured leg and Logan a badly torn lip.

Morton Star of Game. Morton, Des Moines' dusky fullback, was the shining light of the game. Twice he tore through the line for a touchdown. Captain Allan also played a great game for the visitors. For Omaha, Shanahan, Logan and Harper did the most to prevent a worse defeat Shanahan's tackling twice prevented a touchdawn and Harper was the keystone of Central's offensive playing in the first part of the third quarter when the purple and white staged a temporary comeback. Logan, playing at center, was Central's star who at

times seemed everywhere at once. Des Moines won the toss and chose to receive. Allan caught the kickoff and figured in the series of line plunges and end runs that advanced the ball to about the center of the grid. Here Swoboda intercepted a pass, but when Campell lost the ball on a fumble the visitors resumed the march down the field. Morton's end run advanced the pigskin 15 yards. Line plunges by Heath and Allan placed the ball within a few feet of the fatal line. Allan took it over and booted the extra counter.

Cannot Break Line Shanahan received the kickoff, but

Campbell was forced to kick. A pass from Lowe to Allan brought the ball back. The Des Moines crew then worked it within three yards of the quarter was called. Contral, taking the ball on a fum-

The sick-in failed.

Third Quarter Best

Prospects looked a whole lot better in the second half when the Central warriors returned with reflewed pep and put up a fight that prevented scoring during the quarter. Knox kerked to Shanahan who soon fell before hard and fast tackle. Fight-ing hard the boys from the hill made their yards once but failed the secand time. North High twice made its yards, but a 15 yard penalty prevented another touchdown, In the last quarter Knox kicked to

## **ROW OVER PEACE** TERMS STARTED BY AUSTRALIA

Premier Hughes Protests Against Any Agreement Depriving Dominion of Tariff Rights.

London, Nov. 9.—Premier Hughes of Australia made a bitter protest against the peace terms tonight in addressing the Australian club.

"We were launched into this war without being consulted," the premier declared," and now the terms of peace have been drawn up and we have not been asked to express our views before hand."

He particularly objected that Australia should be prevented from making her own laws which would enable her to discriminate between riends and foes in tariffs.

"I cannot say what the other doninions will do, but nothing is further from the thoughts of the Australian people than to extend the Dr. Clark Chosen President of same treatment to Germany in regard to tariffs and economic arrangements after the war as to France, Belgium, Italy and America and nothing but force will compel us to do it." he continued. "This clause takes from us one of the most vital of our sovereign powers, and in the name of the people of Australia I emphatically protest against if."

Premier Hughes protested also that there was no provision in the treaty for indemnities with which to relieve Australia from a crushing war debt nor a provision for the retention of German islands "without which the territorial integrity of Australia is forever menaced.

The Australian premier's speech was loudly cheered. Government Answers. In reply to Premier Hughes the

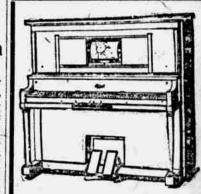

British press bureau issued a denial

that peace terms have been settled. The statement concludes: 'Nothing that has been done by the British representatives at the recent meeting of the supreme war council has precluded or prejudiced the effective attainment in the final for the juvenile court; Dr. Jennie peace terms of any specific objects to which the attention of the imperial war cabinet was drawn by the representatives of the dominions

and India. "The British government has every intention of associating the government of the dominions and India with itself at every stage in the future discussions of terms of
